ISSUE 21ST MAY MAY 2026

A new project for Poetry Club & Copies of books proudly received by our published writers

Another Productive Week

It has been another busy week at Rosehill Junior School, filled with creativity, community spirit, and a fair amount of "everyday magic."

Celebrating Our Stories

We kicked off the week by celebrating National Storytelling Week, but as you can see from our class updates, the love of reading is a daily passion here. A huge highlight was seeing our talented young writers receive their beautiful copies of their newly published work. It is a monumental achievement to be a published author, and my heart is full of pride seeing their hard work recognized in print.

Year 4 Stars

Our Year 4 pupils also had an exciting brush with fame this week! A group of our students were absolute super-stars while being filmed by the Youth Hostel Association (YHA) regarding their recent Castleton trip. They spoke eloquently and did a fantastic job representing our school - well done to our budding movie stars!

Community Support & Opportunities

We have two important ways for our families to get involved this week:

- Blue Token Voting: We are campaigning for a local grant to fund our "Residential for Everyone" project. If you shop locally, please collect those blue tokens and cast your vote for Rosehill!
- Free School Meals: If your circumstances have changed, you may be entitled to Free School Meals, which also provides extra funding for the school. Applications are quick and confidential via the Council website.

Year 6: The Final Countdown

Finally, we turn our focus to our wonderful Year 6 cohort. They showed incredible maturity during last week's Mock SATs, and we are now entering their final week of booster sessions. To support them during the "real thing" next week, we are hosting a free Breakfast Club from 8:00 am every morning, thanks to a generous donation of bagels from New York Bakery Co. We are all rooting for you, Year 6— stay calm, do your best, and remember how proud we already are of you!

Mrs Norris

Golden Moments at the "Always Club"

Our first Always Club for Lower KS2 was a sun-soaked celebration of being superstars! To reward those who consistently go above and beyond, we headed outside to make the most of the gorgeous weather.

It was a perfect afternoon of high-energy fun and well-deserved treats from space hopper races to ice pops - lots of fun was had!

A huge well done to our Always Club members—your consistent hard work and kindness truly shine. We're already looking forward to the next one!

Centenary Celebration: Tickets for Rotherham United!

As part of the upcoming Rotherham Day celebrations, TMG Rotherham has kindly donated tickets for Rotherham United's "Game of the Century" special match. This historic fixture celebrates 100 years of the club, featuring a mix of current stars, fan favourites, and legendary players and managers. It promises to be an exciting, family-friendly atmosphere that honors the club's rich history. A huge thank you to TMG Rotherham for their incredible generosity in supporting our school community!

Year 6: The Final Countdown!

As we head into the final week before SATs, we want to say a massive "well done" to all our Year 6 students for their incredible hard work and determination so far. This is the last week of our after-school SATs booster sessions. Thank you to all the staff for their support with these. there will be a free breakfast club at 8am for all the Y6 to help them have a great start during SATs week.

4P	96.10%
5B	93.00%
5M	97.00%
6A	95.00%
6N	97.60%
Whole School	95.70%

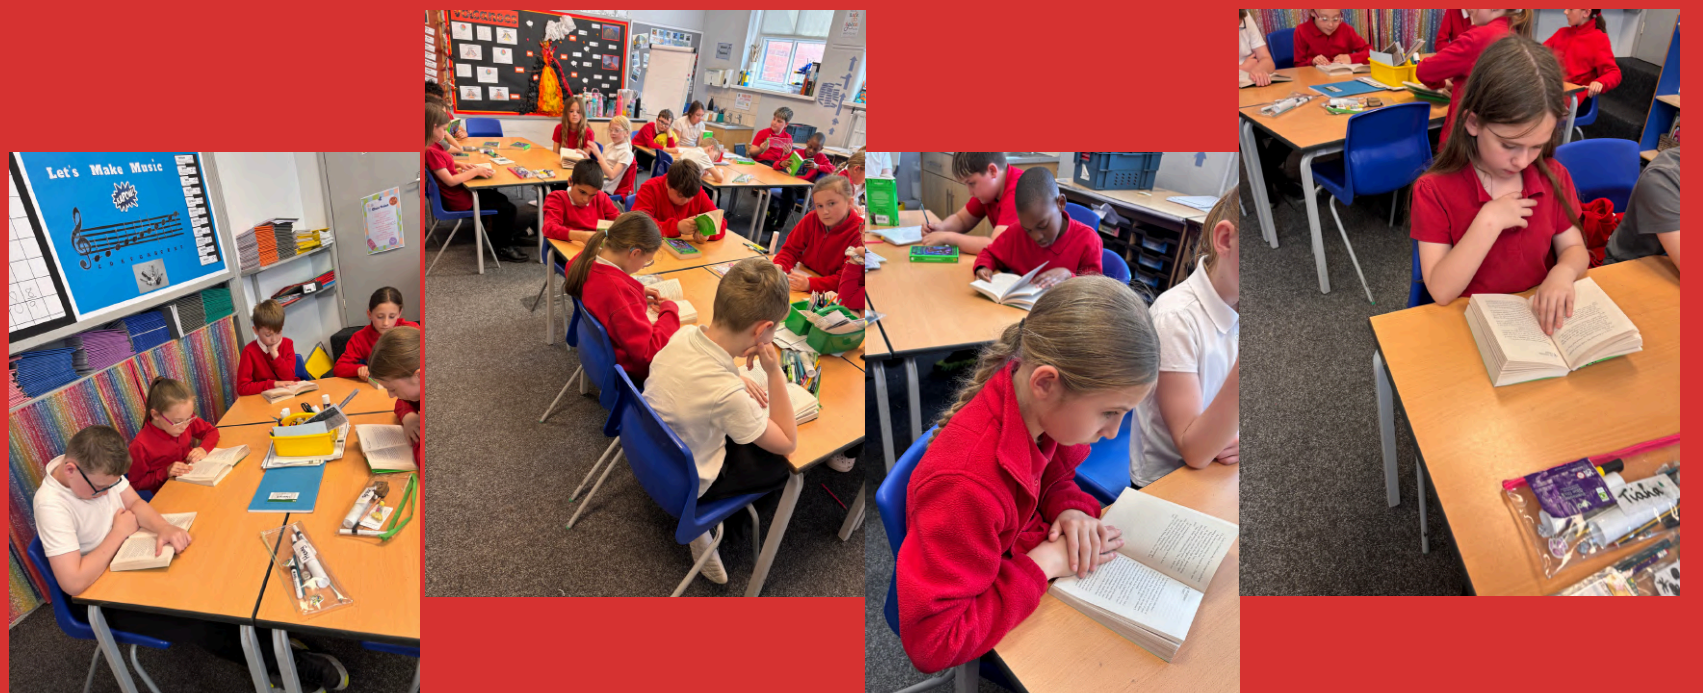

A Big Thank You to New York Bakery Co.

We are so grateful to New York Bakery Co. for their generous donation of delicious bagels for our upcoming SATs breakfast! Your support will help to give our students the perfect start to each important day. We appreciate your kindness and commitment to our school community. Thank you for helping our students power through the SATs with full bellies and bright minds!

✨ Everyday Magic in Year 3

While today might officially be National Tell a Story Day, in Year 3, we don't wait for a calendar date to get lost in a good book. Whether we're exploring faraway lands or solving a mystery, the "story time magic" happens every single day in our classroom. Watching our students dive into these adventures is a highlight of every afternoon! 📖 ✨

⚡ Myth, Magic, and Year 5B

Move over, Mount Olympus—Year 5B is taking over! While the rest of the world celebrates National Tell a Story Day, our classroom is currently deep in the world of demigods, monsters, and Greek mythology. We've been following Percy Jackson's journey, and let's just say the excitement is electric.

🌊 Navigating the Tides in Year 5M

While today marks National Tell a Story Day, Year 5M has already set sail. We aren't just reading; we're surviving the sunken world of Marcus Sedgwick's Floodland. In our classroom, the "magic" of a story isn't a scheduled event—it's a daily immersion. Watching the students navigate the drowned streets of Norwich alongside Zoe has turned our afternoon reading sessions into a gripping exploration of courage, survival, and hope.

🎨 Masterpieces in the Making: Year 5 Art

This week, Year 5 have been transforming into budding impressionists as they explore the vibrant world of oil pastels. The children practiced advanced blending and layering techniques. We've been focusing on how to transition between colours smoothly and using different pressures to create texture and depth. I
